**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a student I need high speed and reliable internet, and AT&T as well as Comcast were everything but fast. My grades in school were dropping due to my lack of ability to complete online assignments. My future was going downhill, and all I could do was watch it roll. As a loyal student who wants to succeed beyond school, I ask of you to not make such internet providers the only available. Though if you do not care about this country's future, proceed, because hundreds of students are in my exact same position and need a reliable network to achieve greatness. Thank you for reading, and I hope you seriously consider the possible consequences of your options.
